

FRAUD ALERT

IMPERSONATION & SCAM WARNING

Artix Capital Ltd wishes to alert its clients, investors, traders, business partners, and members of the public to the risk of fraudulent individuals, websites, social media accounts, messaging groups, or other unauthorized parties falsely claiming to represent or be associated with Artix Capital Ltd.

Please be advised that:

Artix Capital Ltd does not offer managed account services, portfolio management services, or investment programs.

Artix Capital Ltd does not solicit or accept funds for wealth management or investment management purposes.

Artix Capital Ltd does not offer, promise, or guarantee investment returns, fixed profits, or assured returns.

Artix Capital Ltd does not conduct business, solicit investments, open trading accounts, or provide client services through social media platforms or messaging applications such as WhatsApp, Telegram, Facebook, Instagram, or similar channels.

Artix Capital Ltd conducts official business and client communications only through its official website, authorized representatives, and verified company email addresses.

Protect Yourself from Fraud

We strongly urge all clients, investors, traders, and members of the public to exercise caution when approached by any individual or organization claiming to represent Artix Capital Ltd.

Before transferring funds, sharing personal information, providing identification documents, or acting upon any investment or trading-related communication, you should independently verify that the communication has originated from an authorized representative of Artix Capital Ltd through the official contact details listed below.

Any suspicious communication, website, social media profile, messaging account, payment request, or person claiming to represent Artix Capital Ltd should be reported to us immediately.
